ELECTION: There will be a general membership meeting on Saturday night. All members are expected to participate with the running of **their** racing association. The way to do that is to attend the meetings. Nominations for upcoming Board positions will be accepted. The positions opening are Commodore, Treasurer, and two directors. You must be a member to nominate and a member to run for a position. If you would like to nominate a member, please make sure that person wants to run. If you want to run for a position, please keep in mind that it is a two year **commitment**.

Calling all new drivers and those of you who want to be new drivers

There will be a new driver orientation on the ramp/dock at 5:30 PM Friday night. Take a ride in the rescue boat to the starting line and see how the lights work. Have many of your questions answered.
